A collection of tools including a hammer, pliers, a screwdriver, and screws on a wooden surface. The hammer has a dark head and a light-colored handle. The pliers have black and yellow handles. The screwdriver has a grey and orange handle. There are several screws scattered on the wooden surface. The background is a wooden surface with a vertical grain.

# Welcome

We appreciate you taking the time to go through the TR Engineer and Contractor company profile. This is a great opportunity for us to communicate our services and key competitive strengths to you.

This profile is designed to provide you with an introduction to TREC, and we hope and look forward to meeting our clients personally to develop a relationship through one-on-one interaction shortly.

Since our inception in 1982 we have developed a trusted and reliable construction company by building lasting relationships with our clients, employees, suppliers and contractors. With over years of work under our belts, we continue to learn, and build from this experience.

We thank all those who have contributed to the development of TREC over the years, and we thank you for your interest in our Company, and look forward to working with you.
